K.C. BUILDING CO.

The Catalina at Sweetwater Creek in Spring Hill offers something for everyone in the family. The 12-foot ceilings in the foyer and living room add to the spacious and openness of this home. The stone hearth and built-in entertainment center make the living room livable and inviting, while the huge walk-in pantry provides plenty of storage. The first-floor master suite offers a sitting room and spacious bathroom with built-in television cabinet, dressing mirror, fully tiled walk-in shower with dual shower heads and jetted soaker tub. There's also direct access from the master closet to the laundry room. The second bedroom, with a full bathroom on the first floor, easily doubles as a home office. The oversized second-floor loft and elevated playroom can make any child feel right at home.
